"Working with STP was the best! Their knowledge and pedagogical approach meshed perfectly with my own learning style, and their “let’s make it happen” attitude gave me the competitive edge needed to score well on the SAT. Thanks to STP, I’m now headed to Stanford University which is widely recognized for having the lowest acceptance rate of any school in the country!"

Lesson Rescheduling & Cancellations

To reschedule or cancel a session, contact your tutor directly at least 24 hours in advance of the session. If you reschedule or cancel a session with less than 24 hours' notice, you may be charged the full cost of a tutoring session.

If I cancel a lesson, will there be a makeup?

Yes! We strongly encourage students who cancel a lesson to arrange a time to make it up with their tutor. Consistency is key and it is easy to lose momentum when you take off a whole week.

What if I'm taking a class?

Our cancellation policy does not apply to strategy class and crash course students. If you need to miss a class, we will provide you with the class recording and materials to make it up on your own time. You also have the option to schedule a 1:1 session for extra support at your tutor's current rate.

Why is your policy 24-hours?

We ask you to cancel at least 24 hours' in advance so that we have time to make other arrangements and give the spot to another student. If you do not cancel at least 24-hours before the appointment, then we may charge the full tutoring rate.

FAQs

1. Do I Have to Sign Paperwork?
Yes - we do have a tutoring agreement covering our policies and procedures. We will share this with you to review & sign when you register. The purpose of this paperwork is to keep us aligned, so we can achieve success together!

2. Can I switch from PAYG to Prepaid?
Yes! You may do this at any time, simply contact us at help@strategictestprep.com to have your billing settings changed. You can also switch from Prepaid to PAYG as well.

3. Why do you only accept weekly students?
You receive the most benefit from our tutors via weekly tutoring. We simply do not believe we can do our students justice or achieve optimal results through casual tutoring. We love to have dedicated students on board because we are just as dedicated to you!

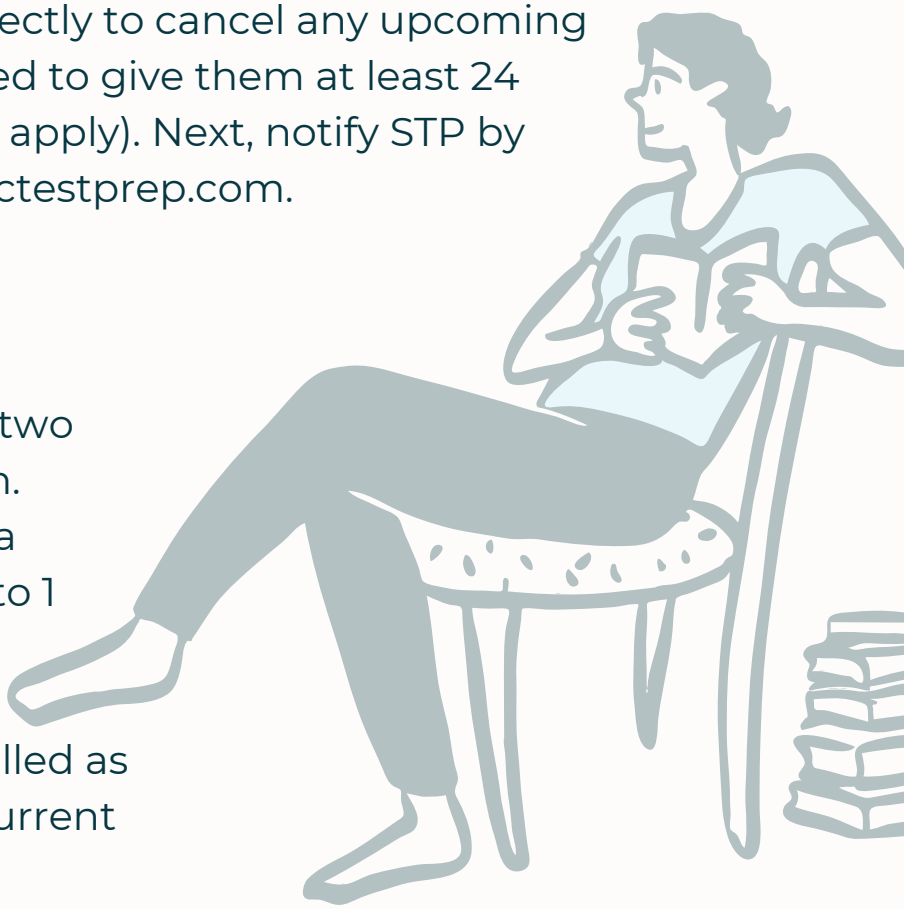
4. Will there be an enrollment fee?
Yes, there is a $100 enrollment fee for new 1:1 students. This covers all your test prep materials and also our time setting up your account with us.

5. Can I pay by cash or check?
No, sorry! Our billing system is 100% automated and relies on direct debit via credit/debit card. Automatic billing helps keep our processes running smoothly and ensures our valuable tutors get paid on time.

5. What is the minimum number of lessons I have to attend?
We only accept students who are looking for a long-term commitment. We simply do not believe we can do our students justice or achieve optimal results through short-term tutoring. Thus, if you're looking to do just a few sessions, we will not be able to accommodate you.

Termination of Tutoring & Refund Policy

Please contact your tutor directly to cancel any upcoming sessions (remember, you need to give them at least 24 hours notice or charges may apply). Next, notify STP by emailing us at info@strategictestprep.com.



PAYG Students

You must notify STP at least two weeks before your last lesson. Failing to do so will result in a cancellation fee (equivalent to 1 PAYG hour).

Any unpaid lessons will be billed as per usual at the end of the current weekly billing cycle.

Prepaid Package Students

You can receive a partial refund on packages. Please refer to the details outlined in our tutoring agreement for specifics.

Strategy Class/Crash Course

All sales are final for workshop students. Deposits are non-refundable. We ask for at least 1 week notice as a courtesy, should you determine you are unable to take the class and are forfeiting your spot.
